

THE 2007 DONZI 35 ZF

With its beefy construction, fast, dry ride and rugged wide-open cockpit, the Donzi 35 ZF Open can be found taming the seas from coast to coast. From Cape Cod to Cape Hatteras, and from Gulfport, Mississippi to the Gulf Stream, this offshore brute enjoys a well-earned reputation for being the first to the fish and back to the dock.

The 35 ZF's wide-open cockpit comes ready to fish with massive insulated overboard-draining fishboxes, a 50-gallon illuminated livewell with high-volume pump system, four standard gunnel-mount rod holders (with four more on the optional T-top), two removable coolers, and locking tackle boxes in the console. Rod racks are recessed into the cockpit sidewalls, and there's a cutting board and bait prep station with raw water washdown and sink housed in the transom. Floor hatches with stainless steel dog-down latches allow access to ample below-deck storage.
